DETAILED ACTION

1. This Office Action is responsive to the Response filed on 5/15/07.

Accordingly, claims 1-26 are currently pending. The Declaration under 37 C.F.R. 1.131, filed on 5/15/07, overcame Hamaguchi et al (2002/0010617), previously cited.

EXAMINER'S AMENDMENT

2. An examiner's amendment to the record appears below. Should the changes and/or additions be unacceptable to applicant, an amendment may be filed as provided by 37 CFR 1.312. To ensure consideration of such an amendment, it MUST be submitted no later than the payment of the issue fee.

Authorization for this examiner's amendment was given in a telephone interview with Attorney Steven Becker on 06/04/07.

The application has been amended as follows:

IN THE CLAIMS:

-Claims 20-26 are canceled.

REASONS FOR ALLOWANCE

3. Claims 1-19 are allowed.

Art Unit: 2618

4. References 6982962, 6016476, 6941270, 6934664, 6907134, 6832178, 6772331, 6757718, 6424845, 6243689 and 6182221 are additionally cited because they are pertinent to the claimed invention.

5. The following is an examiner's statement of reasons for allowance:

–Regarding to independent claim 1, none of prior art of record teaches or suggests a system for locating access to wireless resources, comprising a portable electronic device including a short range radio frequency (RF) transceiver; a database storing a history of wireless station information and available resource information, the wireless station, information being representative of wireless stations coming in communications with the short range RF transceiver as the portable electronic device is being moved through an environment, and the available resource information being correlated with the wireless station information and the available resource information being distinct from and representative of the resources available through the wireless stations.

–Regarding to independent claim 14, none of prior art of record teaches or suggests a method of locating access to resources in an environment,

comprising procedures of roaming within an environment with a portable electronic device having a short range radio frequency (RF) transceiver; scanning for wireless enabled devices within range of the RF transceiver of the portable device; storing wireless station information relating to the wireless enabled devices in a database; and storing available resource information distinct from and relating to the resources coupled to and available through the wireless station in the database.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
